## DESCRIPTION OF FAMILY FORMATION TOOLS

### READY-TO-USE CLASSROOM LESSONS

Each lesson includes: supplies for 1 catechist and 10 students, mailed monthly for 8 months; 1 white copy of the monthly memory verse to be duplicated for each student; planning considerations, if applicable; printing instructions, if applicable (periodically, minimal copying may be required on your part). October and November lessons include one current ready-to-color liturgical calendar.

### READY-TO-USE FAMILY HOME LESSON PACKETS

Each packet includes all materials needed to complete weekly home lessons. (One copy of each one-per-child activity is included in the packet—please indicate the number of additional activities needed for other family members.) Packets are mailed monthly for 9 months.

### TEACHER TRAINING DVDs

Each DVD includes the monthly adult teaching and speaker outline, a walk-through of the classroom lessons, and an overview of the monthly Family Home Lesson Packet. DVDs are mailed monthly for 8 months.

### FIRST SACRAMENT PREP HOME LESSON PACKETS

First Reconciliation or First Communion: each packet includes all materials needed to complete weekly home lessons for preparation to receive the sacrament.

### FIRST SACRAMENT PREP COORDINATOR'S BINDER

First Reconciliation or First Communion: each binder includes coordinator's instructions, classroom lessons, and reproducible materials for use in the classroom. Each binder is a one-time purchase and can be used from year to year.

### "FAMILY FORMATION PRAYER BOOKLET"

Prayer is one of the most important gifts we can give our children--both by praying for them and by teaching them how to pray. The *Family Formation Prayer Booklet* is a wonderful tool to keep children on track as they learn the prayers and foundations of our faith. Prayers and other information are provided and broken down into suggested grade-levels. Charts are included to record each family member's progress.

### LITURGICAL CALENDAR

A great way for families to follow the liturgical year. It provides the Gospel reading and liturgical color for each Sunday. On the back, there are prayers and other valuable information for the whole family to learn and discuss together. Available in two styles: colored and laminated, or ready-to-color with easy to follow instructions.

### PRIEST PAPER DOLL WITH VESTMENTS

Depicts a priest in paper doll form, together with two altar servers, and vestments to color according to the liturgical colors of the Church so children can dress Father for Mass each Sunday.

### "OUR SABBATH SCRIPTURE BOOK"

Contains a weekly story about the Pauline family and how they make sense of the Sunday Gospel. By using this simple tool, families will have "ears to hear" the Word of God at Sunday Mass. A ready-to-color Liturgical Calendar is included.

### W.O.G. LOGS

Reading Scripture daily is a very important way in which we come to know Jesus personally and to learn of God's wonderful plan for our salvation. W.O.G. (which stands for "Word of God") Logs provide a fun, colorful, tangible way for children to keep track of their time spent with the Lord in this way. Twelve brightly colored cards on a ring provide a year's supply of monthly logs.
