Description of Items

FAMILY FORMATION SUBSCRIPTION

Receive nine monthly mailings of Home Lesson materials to be completed during the months of September through May. Creative and engaging lessons bring the whole family together each week for catechesis, which although geared towards the children, benefits everyone. All lessons are laid out in a very clear, easy-to-follow format. Included in your subscription is a current Liturgical Calendar, W.O.G. logs for each child, monthly memory verses suitable for posting in a prominent place, and all materials needed to complete the lessons. The first week of every month, where parishes are using the full *Family Formation* program, families gather together at church for a formation session; therefore, no Home Lesson is included for that week.

LITTLE LAMBS SUBSCRIPTION

The Little Lambs curriculum includes everything described in the *Family Formation* subscription above, with dynamic lessons and activities on the same topics, but geared to the abilities of preschool-aged children.

OUR SABBATH SCRIPTURE BOOK

Follow the Pauline family as they prepare for the Sunday Gospel in a fun, creative, and often dramatic way. By using this simple tool, you and your family will learn how to incorporate the Gospel into your daily life by bringing it down to an easily understandable level. A ready-to-color Liturgical Calendar is included.

PRIEST PAPER DOLL WITH VESTMENTS

Depicts a priest in paper doll form, together with two altar servers, and vestments to color according to the liturgical colors of the Church so children can dress Father for Mass each Sunday.

FIRST SACRAMENT PREP HOME LESSON PACKETS

First Reconciliation or First Communion: each packet includes all materials needed to complete weekly home lessons for preparation to receive the sacrament.

FAMILY FORMATION PRAYER BOOKLET

Prayer is one of the most beautiful gifts we can give our children, both by praying for them and by teaching them how to pray. The "Family Formation Prayer Booklet" is a wonderful tool enabling you to teach your children the prayers and foundations of our faith. Suggested grade levels are provided as a guide, and charts are included to record each family member's progress.
